RE: Application for Programme Assistant - Education (Beledweyne) – Job ID: 16638

Dear Hiring Committee,

I am writing to express my strong interest in the Programme Assistant - Education position in Beledweyne, as advertised on the SCI Careers Portal. As a dedicated education professional holding a Bachelor of Business Information Technology (BIT) from JKUAT and over seven years of educational delivery and resource management experience in Somaliland and East Africa, I am eager to contribute to Save the Children's Education Cannot Wait (ECW) initiatives.

Throughout my career, my work has aligned closely with the primary responsibilities of this role:

- **Educational Delivery and Mentorship:** During my tenure at Elm High School, I designed structured academic frameworks and schemes of work while providing continuous technical assistance, mentorship, and coaching to peer teachers to optimize classroom delivery. My background enables me to effectively support ECE, primary, ABE, and teacher-training initiatives.
- **Resource Coordination & Information Systems:** In my role as a Learning Resource Supporter, I managed large inventories of educational materials, catalogued curricular assets, and successfully implemented a digital library management system to track resource utilization. This experience directly translates to your need for assisting Program Officers with procurement, distribution, and systematic monitoring of field supplies.
- **Community Mobilization & Reporting:** My extensive voluntary service with vulnerable children at Tumaini Bethany and Watoto Wetu, combined with urban development participation, has sharpened my grass-roots communication and social synchronization skills. Furthermore, my background in information systems gives me an elite grasp of data monitoring, technical documentation, and providing clean progress updates.

As a bilingual professional fully fluent in Somali and English, I possess a deep respect for local cultural practices and community structures. I am highly flexible, fully prepared to deploy to the field in Beledweyne, and completely committed to upholding Save the Children's strict Child Safeguarding and protection protocols.

Thank you for your time, consideration, and dedication to protecting children's rights. I look forward to the possibility of discussing how my educational leadership and monitoring experience can support your team.

Sincerely,

Jamal Fahadh Mohamed

PART 2: CURRICULUM VITAE

JAMAL FAHADH MOHAMED

Education Specialist & Project Assistant 📍 Current Location: Idacada, Hargeisa, Somaliland (Willing to relocate to Hiiraan, South Central Somalia for field deployment) ☎️

🎯 PROFESSIONAL SUMMARY

Highly motivated and dedicated Education Professional with over 7 years of experience in classroom instruction, curriculum planning, and learning resource management within East Africa and Somaliland. Proven track record in teacher support, student enrollment drives, and implementing structured educational programs. Adept at managing community-level structures, library resource systems, and utilizing digital tools to track data and generate high-quality project reports. Combines strong communication and organizational skills with an extensive background in youth volunteer work and community initiatives to drive inclusive education. Fully fluent in English and Somali.

🔧 CORE COMPETENCIES & EXPERTISE

- **Educational Programming:** Curriculum Implementation, Lesson Planning, Student Assessments, Practical Training Delivery.
- **Resource & Information Management:** Library Resource Support, Cataloguing, Database Inventory Control.
- **Community Mobilization & Inclusion:** Youth Mentorship, Community Structure Support, Vulnerable Group Engagement (Orphanage Volunteering).
- **Project Monitoring & Reporting:** Technical Documentation, Progress Monitoring, Action Planning, Online Portal Management.
- **Technical Proficiency:** Data Analytics, Ms-Office Suite, Systems Troubleshooting, Digital Learning Tools.

👛 PROFESSIONAL EXPERIENCE

Information and Communication Technology (ICT) Teacher / Departmental Lead

Elm High School | Hargeisa, Somaliland *September 2018 – June 2025*

- **Program Delivery & Management:** Planned, prepared, and executed structured curriculum-aligned lesson frameworks, ensuring high engagement and clear tracking of student learning outcomes.
- **Teacher & Staff Support:** Actively provided peer-to-peer technical assistance and instructional support to school teachers and administrative staff to improve delivery techniques.
- **Action Planning & Reporting:** Developed comprehensive schemes of work, tracking mechanisms, and classroom materials while constantly reviewing performance data.
- **Inclusive Engagement:** Introduced targeted project-based learning approaches that

engaged mixed-ability learners and improved academic performance.

- **Stakeholder Collaboration:** Collaborated closely with school leadership and administrative teams to fulfill curriculum development goals and support school-wide transformation.

Library and Learning Resource Supporter

Elm High School | Hargeisa, Somaliland *September 2021 – January 2023*

- **Resource Coordination:** Managed, organized, and catalogued physical and digital learning materials to act as a central resource hub supporting school curriculum objectives.
- **Research & Student Mentorship:** Guided and coached students through academic research, assignments, and information evaluation to foster analytical skills.
- **Literacy & Community Campaigns:** Promoted a strong reading culture and information literacy by spearheading resource-centered learning campaigns, book displays, and academic events.
- **System Tracking & Reporting:** Successfully digitized tracking data by launching a digital Library Management System, achieving an 89% implementation standard.
- **Administrative Support:** Assisted teachers in sourcing academic publications, reference protocols, and digital materials, maintaining meticulous inventory records.

Computer Studies Teacher / Technical Instructor

Turkana School of Technology | Lodwar, Kenya *September 2017 – December 2017*

- **Frontline Instruction:** Formulated, delivered, and monitored practical educational sessions for local learners using varied multimedia tools and presentations.
- **Student Case Management:** Evaluated individual progress metrics, working directly with underperforming students to provide targeted feedback and intervention.
- **Data Entry & Online Reporting:** Managed the institutional portal, keeping student assessments, attendance tracking, and school metrics fully updated online.
- **Operational Oversight:** Cooperated with institutional administrators to deploy school policies, manage laboratory safety standards, and ensure smooth operations.

EDUCATION & QUALIFICATIONS

- **Bachelor of Business Information Technology (BIT)**
 - *Institution:* Jomo Kenyatta University of Agriculture and Technology (JKUAT)
 - *Timeline:* September 2013 – December 2016
 - *Classification:* Second Class Honors (Upper Division)
